CARAT WEIGHT MEASUREMENTS

All carat weights displayed in Ada's collection pieces are approximate and may vary slightly from the finished piece. Notably, carat total weights for wedding bands may vary based on ring size and exact weight of diamonds used. On some pieces, discounts are not available for small discrepancies in carat weights.

Shipping Policy

TIME TO SHIP

All orders placed on AdaDiamonds.com are confirmed via email by a member of our Diamond Concierge team. If you are not responsive, your order may be canceled. Once a Concierge has confirmed your order, either by email or phone, then the order is considered Accepted by Ada Diamonds. All bespoke bridal pieces require a signed estimate prior to production.

Most Delicate Collection and Ready-to-Ship orders ship within 1-4 business days of your order's Acceptance.

Purchases of loose diamonds are ready to ship in 1-3 business days of your order's Acceptance.

Bespoke fashion pieces may take up to 3 weeks for completion from your order's Acceptance.

Custom pieces, including bridal pieces, are ready to ship within 2-5 weeks from final design approval, depending on the complexity of the piece. Most designs are approved within 1-2 weeks from date of deposit or order placement. Your Diamond Concierge will notify you if your piece requires additional fabrication time.

DOMESTIC SHIPPING

Within the United States, Ada Diamonds offers complimentary, fully-insured two-day shipping with Fedex for pieces up to \$15,000 USD in value with signature required to a residence, business address, or hold for pick up at a Fedex Office.

Pieces over \$15,000 USD are sent complimentary via fully-insured Fedex Priority Overnight with signature required to a residence, business address, or hold for pick up at a Fedex Office. Shipments under \$15,000 USD in value may be upgraded to Fedex Priority for \$50 USD. Saturday delivery shipments are available to residential and Fedex Office locations for a \$75 USD fee.

All shipments require signature upon delivery and may not be left unattended. It is strongly recommended to have a package sent to a Fedex Office location for pick up. It is strongly discouraged to send a shipment to a doorman residential building. Unclaimed packages, packages returned to Ada, or packages that must be re-routed to a new address due to client error carry a \$75 USD re-shipping fee. If a shipping address is different from the billing address, additional documentation may be required. Ada Diamonds does not deliver to UPS stores.

Shipments are fully insured while shipments are in transit and up until the point of signature, at which point liability for loss or theft is transferred to the customer. Ada Diamonds encourages clients to insure fine jewelry using personal jewelry insurance. Insurance on shipping covers damage or loss to the physical jewelry. Ada Diamonds is not responsible for damage done to packaging during transit, such as a dented shipping box. Ada Diamonds does not guarantee next day or two-day delivery due to Fedex and weather delays. We recommend allowing for two additional business days for time sensitive shipments. A valid phone number is required for all shipments.

Please note that some US territories are considered International destinations for shipping purposes.

Our Service contains Tracking Technologies owned and operated by Third Parties. For example, we use Tracking Technologies from third party analytics providers, such as Google Analytics, to help us analyze your use of the Service, compile statistic reports on the Service's activity, and provide us with other services relating to Service activity and internet usage. We also work with ad serving services, advertisers, and other third parties to serve advertisements on the Service and/or on Third Party Services. These third parties may use Tracking Technologies on our Service and Third Party Services (including in e-mails and advertisements) to track your activities across time and services for purposes of associating the different devices you use, and delivering relevant ads and/or other content to you on the Service and Third Party Services or third party devices after you have left the Service ("Interest-based Advertising").

We may serve ads on Third Party Services, such as Facebook and Google, which are targeted to reach people (or similar people) on those services that have visited our Service or that are also identified in one of more of our databases ("Matched Ads"). This is done by matching common factors between our data and the data of Third Party Services. If we use Facebook Custom Audiences to serve Matched Ads on Facebook services, you should be able to hover over the box in the right corner of such a Facebook ad and find out how to opt-out. We are not responsible for such Third Party Services' failure to comply with your opt-out instructions.

For further information on Tracking Technologies and your rights and choices regarding them, please see the sections entitled "Information Collected Automatically" above and "Your Rights and Choices" below.
